

3 Choice Lots for One Hundred Dollars

This is in Cooper View.

Sherwood & Campbell are selling blocks of land in Cooper View for one hundred dollars, and each block is 150x150 feet—and contains as much land as three of the 50-foot lots in other parts of the city.

If these blocks are divided into lots, they will only cost thirty-three dollars each, which makes them by far the cheapest property now offered for sale in Tucumcari, besides, they are in the very best location, being on the south side of the city, and if you will only think a moment, the Post Office, Banks, Drug Stores, all the Business Houses, School, Churches, Hotels, Rooming Houses, Court House, are located on the south side of the railroad, and nearly all of the new residences are going up in the Additions south of Main street.

About one-fourth of this Addition has been sold, and several nice residences will be built soon.

Lots sold six months ago in the McGee Addition for one hundred dollars, are worth today from two hundred to two hundred and fifty dollars. Lots sold six months ago in the Barnes Addition for seventy-five dollars, are worth today one hundred and fifty dollars. Lots sold in the Russell Addition one year ago for one hundred dollars, are now worth from two hundred and fifty to three hundred dollars.

The man who is wise enough to buy some of the choice lots in Cooper View today at thirty-three dollars, will invest his money in the best paying proposition in Tucumcari.

See Sherwood & Campbell before they are all sold, and get in on the Ground Floor.

The terms are easy, one-fourth cash, balance only eight dollars per month.

To buy Lots in the Smith Addition is better than a deposit in a Saving Bank. \$10 cash \$10 a month, no interest, no taxes. See Jackson & Ball

Bitten by a Rattler.

Last Monday morning, Sammie, the fifteen year old son of Mr. and Mrs. L. W. Howell, eight miles west of town, was bitten on the thumb of the right hand by a rattlesnake. He was scratching in a dog hole after a rabbit when the reptile sprang up and bit him. His sister, who was with him, tore off her bonnet strings and corded the hand and together they hurried to the house, where local remedies were speedily applied, after which his mother brought him to town where Dr. Jones gave him treatment.

After their departure Sammie's Aunt, Mrs. W. M. Howell, dug the serpent out and killed it. It was about three feet long, and had six rattles.

The little fellow suffered intensely for a few days, but is now getting along nicely and thought to be entirely out of danger.—Lake-wood Progress.
